IV. Discussion and Possible Action on the following Motions & Resolutions: (0 Min.)

A. Old Business with Follow-up Actions Planned

1. **Discussion and possible action to follow-up on the Central LA virtual community workshop to develop a community-driven action plan to improve walking and biking safety focusing on neighborhood schools of Commonwealth Avenue ES, Frank Del Olmo, and Lafayette Park PC. The SRTS Center City Schools Neighborhood Safety & Climate Resilience Project webpage: https://ladotlivablestreets.org/projects/center-city-SRTS. On March 5, 2026, LADOT provided the ATP6 Fact Sheet. In a July 10, 2026 update for ATP6 Center City Schools, CD 13 told us LADOT is currently in the design phase. They plan to hold in-person public outreach/input during the early design phase, which CD 13 will help coordinate with the residents. We referenced this update in our July 21, 2026 community impact statement for Council File 26-0600-S11. In Council File 26-1376, the motion would have the City Council instruct the City Administrative Officer, with assistance from LADOT, BOE, BSS, and BSL, to identify adequate staffing levels and evaluate funding options that would provide the necessary staff resources and project implementation costs to deliver the City's active transportation projects. At our October 1 PSHT Committee meeting, Mark Fuentes told us It helps the community when CD 13 sees an influx of emails, and that shows that people really want this to happen, and that makes us push further and make sure that this project moves.**
2. **Discussion and possible action to approve a plan for PSHT Committee meeting organization and scheduling.**
3. **Discussion and possible action regarding RVNC representation in the Heart of Los Angeles' Security Committee.**

B. New Business

4. **Discussion and possible action to document conditions of nearby encampments with locations and dates and coordinate with Everest Value School and Central City Value High School so their staff know to flag changes to CD 13. Kylie Jansen of the CD 13 Homelessness Team told us they partnered on September 29 with County Outreach teams as well as the Mayor's Office to conduct an Inside Safe Operation in this location. They were able to get 61 people indoors to interim motel settings, a couple of which are close in the area, and another motel in Hollywood.**
5. **Discussion and possible action to discuss traffic collisions on Bimini Place and recommend to the Executive Committee to agendize for the November 17, 2026 General Board meeting to consider approving community impact statement(s) for Council Files 13-1592-S1, 26-0600-S11, and 26-1376. As discussed with Mark Fuentes at the September 15 RVNC General Board meeting, on August 28th, LAPD reported a collision on Bimini Place in which the primary collision factor was unsafe speed and there were 2 victims who were pedestrians plus the driver, for a total of 3 victims. According to a news report (MyNewLA.com), the Los Angeles Fire Department responded around 3:55 p.m. to the 100 block of South Bimini Place in**

Koreatown to reports of a vehicle-pedestrian collision. A vehicle had crashed through a building's fence, striking pedestrians. Three people were taken to a hospital in unknown condition. Mark Fuentes told us on October 1, as it stands, their Deputy District Director, Laila Molina, and their Senior Planning Deputy, Ted Walker, will be talking with the Department of Engineering and the Department of Transportation regarding People St Project / Bimini Place / Plaza Project / Council District 13.

6. **Discussion and possible action to recommend to the Executive Committee to agendize for the November 17, 2026 General Board meeting to address the schedule and plans for leasing up the low-income units at 200 N Vermont Avenue (49 extremely low-income units). The RVNC approved a community impact statement for Council File 24-0124 at our September 15, 2026 General Board meeting. At our October 1 PSHT Committee meeting, Mark Fuentes told us he would lean on his Deputy District Director, Laila Molina, for help with getting confirmation of those units being leased up.**

C. Set agenda and day and time for next PSHT Committee meeting. Next meeting: 3:30 PM on Thursday, December 3, 2026.
