

Public Safety, Housing & Transportation Committee Meeting

Rampart Village Neighborhood Council
155 N. Occidental Blvd. Suite 236
Los Angeles, CA 90026

Wednesday, December 4, 2024, 2:30 P.M.
Agenda

Philip Armstrong, Chair | Vice Chair, Vacant
Lara Morrison | Lois Arkin | Jennifer Quinones

The Mission of the Public Safety, Housing and Transportation Committee shall be to serve as the primary RVNC entity for Public Safety, Housing and Transportation issues and policies planning. It shall provide assistance to Stakeholders seeking solutions that could mitigate safety issues and will address emergency preparedness, homelessness, housing opportunities, traffic, and transportation issues in the RVNC neighborhood.

Si requiere servicios de traducción, favor de avisar al Concejo Vecinal 3 días de trabajo (72 horas) antes del evento. Por favor contacte Philip Armstrong al 213.275.9322 o por correo electrónico: Philip.armstrongrvnc@gmail.com para avisar al Concejo Vecinal.

If you require translation services, please notify the Neighborhood Council 3 business days (72 hours) prior to the event. Please contact Ronee Reece, Vice-President, at 323-774-3597 or by email at roneereecervnc@gmail.com to notify the Neighborhood Council.

IN CONFORMITY WITH THE OCTOBER 6, 2023 ENACTMENT OF CALIFORNIA SENATE BILL 411 (PORTANTINO) AND LA CITY COUNCIL APPROVAL ON NOVEMBER 1, 2023, THE RAMPART VILLAGE NEIGHBORHOOD COUNCIL MEETING WILL BE CONDUCTED VIRTUALLY.

Meeting Access Information

Internet: <https://us02web.zoom.us/j/85161232288> | Telephone: 669.900.6833 | Mtg. ID: 851 6123 2288 (No Password Required)

Every person wishing to address the Board must dial 669.900.6833, and enter 851 6123 2288 and then press # to join the meeting. When prompted by the presiding officer, to provide public input at the Neighborhood Council meeting the public will be requested to dial *9 or use the Raise Hand option, to address the Board on any agenda item before the Board takes an action on an item. Comments from the public on agenda items will be heard only when the respective item is being considered.

Comments from the public on other matters not appearing on the agenda that are within the Board’s jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to two minutes per speaker, unless adjusted by the presiding officer of the Board.

SB 411 Updates:

In the event of a disruption that prevents the eligible legislative body from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the eligible legislative body’s control that prevents members of the public from offering public comments using the call-in option or internet-based service option, the eligible legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption that prevents

the eligible legislative body from broadcasting the meeting may be challenged pursuant to Section 54960.1.

(C) The eligible legislative body shall not require public comments to be submitted in advance of the meeting and shall provide an opportunity for the public to address the legislative body and offer comments in real time.

(D) Notwithstanding Section 54953.3, an individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the eligible legislative body, that requires registration to log in to a teleconference may be required to register as required by the third-party internet website or online platform to participate.

(E) (i) An eligible legislative body that provides a timed public comment period for each agenda item shall not close the public comment period for the agenda item, or the opportunity to register, pursuant to subparagraph (D), to provide public comment until that timed public comment period has elapsed.

(ii) An eligible legislative body that does not provide a timed public comment period, but takes public comment separately on each agenda item, shall allow a reasonable amount of time per agenda item to allow public members the opportunity to provide public comment, including time for members of the public to register pursuant to subparagraph (D), or otherwise be recognized for the purpose of providing public comment.

(iii) An eligible legislative body that provides a timed general public comment period that does not correspond to a specific agenda item shall not close the public comment period or the opportunity to register, pursuant to subparagraph (D), until the timed general public comment period has elapsed.

- I. **Call to Order** (0 Min.)
- II. **Roll Call and Adoption of Outstanding Minutes** (0 Min.)
- III. **Public Comment on Non-Agenda Items (2 minutes per speaker)** (0 Min.)
- IV. **Discussion and Possible Action on the following Motions & Resolutions:** (0 Min.)
 - A. **Old Business with Follow-up Actions Planned**
 - 1. **Discussion and possible action to follow-up on the Central LA virtual community workshop to develop a community-driven action plan to improve walking and biking safety focusing on neighborhood schools of Commonwealth Avenue ES, Frank Del Olmo, and Lafayette Park PC.**
 - 2. **Discussion and possible action on supporting follow-up to the first Play Street event, which occurred on September 9 as part of the 100-year anniversary of Commonwealth Avenue Elementary in Historic Filipinotown. There's more about Play Streets here: <https://laplaystreets.com/> Let's discuss having the next Play Street event at St. Anne's.**
 - 3. **Discussion and possible action regarding concerns raised by Carolyn Burleson about the existing conditions of the 100 block of S. Occidental Boulevard. At our March 19 General Board meeting, Diana Vicente, CD 1 Field Representative, told us that they want to bring to us a proposal for their Climate Fellows to plant native vegetation in the Occidental medians and they will convey this to CD 13. At our November 19 General Board meeting, Diana confirmed that the plans for getting native plants installed on the medians have been cancelled. Please see IV.B.11 below for more information.**
 - 4. **Discussion and possible action to address resumption of PATH Neighborhood Watch Committee meetings. We've invited Zeke Sandoval of PATH to our meeting. In the meantime, Jennifer is attending the Community Police Advisory Board for the LAPD Rampart Division at the RVNC's liaison.**

5. Discussion and possible action to follow up with CD 10 and Department of Recreation and Parks about the renovations at Shatto Park. At our March 19 General Board meeting, Jungmin Lee, CD 10 Deputy of Constituent Services (Koreatown), informed us they are doing a cost analysis to renovate the park and reduce crime. Since then, the playground, badminton courts, and tennis courts have been renovated. Park Director Ana Valdez is forming a Parks Advisory Board (PAB) to partner among staff community members, and other stakeholders to advocate for Shatto Park. Ana told us she has received the results of the 2019 community meetings and has shared that information with the RVNC. Please see the Board of Recreation and Parks Commissioners Report No. 24-064, Shatto Recreation Center Park Renovation Project, at the following link:
<https://www.laparks.org/sites/default/files/pdf/commissioner/2024/apr04/24-064.pdf>
6. Discussion and possible action to approve a plan for PSHT Committee meeting organization and scheduling. On January 24, the PSHT Committee approved moving our meetings to the first Tuesday of the month and having the meetings on Zoom unless an item comes up where we want to meet in-person. Then, the Committee changed the meeting date to the first Wednesday on February 7.
7. Discussion and possible action regarding the formation and leadership of the RVNC Neighborhood Team. To request the six NTP training classes, the LAFDCERT Battalion 11 Coordinator recommended that we email Patrick Botz-Forbes and Chin Thammasaengsri and they told Philip on November 20 that they will get back to us. For more information, please see the following link to the CERT participant manual:
https://www.ready.gov/sites/default/files/2019.CERT_Basic_PM_FINAL_508c.pdf
8. Discussion and possible action regarding the Rampart Village Neighborhood Council District Street Tree Inventory Summary Report. At our February 7 PSHT Committee meeting, Lois said she will discuss with the Trees Committee and the RVNC's PPPWLU Committee the idea of asking our stakeholders about streets in the RVNC where they could take away one parking lane to allow for planting trees in parking lanes that the community doesn't need. Different cities have tried different options for doing this to mitigate climate change. Jennifer said perhaps, as a way of selling this idea, focus on those streets that have a congregation of RVs and utilize that space differently to curb folks with questionable motivations from parking RVs there. At our March 6 committee meeting, Lois said she will discuss with the Trees Committee the idea of asking our stakeholders about streets in the RVNC where they could take away one parking lane to allow for planting trees in parking lanes that the community doesn't need. Please see the following link for details:
<https://streetsla.lacity.org/sites/default/files/Rampart%20Village%2020220812.pdf>

B. New Business

9. Discussion and possible action to support LA Metro in the early planning phase of the [Vermont Transit Corridor Project](#). On October 10, the RVNC sent a Letter of Support to LA Metro in which we also asked for a contact for the Metro Active Transportation Cycle 2 and whether a Metro bus/bike collision on July 30 was reported to LAPD. At our November 19 General Board meeting, Transportation Planning Manager Annelle Albarra reported that: 1) the 204 bus operator did not report the July 30 collision to Metro Operations; 2) whether there is a Metro policy that collisions of this kind have to be reported to LAPD would have to be a policy of Metro Operations; and 3) she will follow up to see if a response has been prepared to our letter to Stephanie Wiggins and follow up with that. The data gap for reporting to LAPD a collision between a Metro bus and a bicyclist raises question about the safety for bicyclists of shared bus and bike lanes planned on Vermont Avenue. In addition, on November 20, Neha Chawla, Senior Manager, Metro Transportation Planning, informed us that: 1) the MAT Program can only fund capital projects, so a study would not be eligible; 2) Metro will, however, be developing a First/Last Mile Plan for the Vermont Transit Corridor Project, and that area may be assessed for proposed improvements/projects; and 3) they are currently developing Metro's Street Safety Program, and this corridor may be included in their data assessments.
10. At our September 17 General Board meeting, we passed a motion to participate in the research study with the caveats that the RVNC acts as a conduit and does not take a major role or take the lead for hosting the workshop. As recommended by the Public Safety, Housing & Transportation Committee, discussion and possible action to approve RVNC participation in a research project and finding residents that will be

willing to participate in these workshops, collaborators to help host a workshop, and a community center or another local venue they could use with the following caveats. The RVNC acts as a conduit and does not take a major role or take the lead for hosting the workshop. Dr. David Johnson has asked the RVNC to liaise with CCNP to facilitate the coordination of the community workshops. At our November 19 General Board meeting, Sandra Bonneville told us the research team will come on a Thursday in mid-January 2025 to do the surveys during CCNP's food distribution.

11. Discussion and possible action to follow-up to get the December 7 community cleanup with CD 1 and CD 13 on the calendar for those offices so that we can do our part. At our October 15, 2024 General Board meeting, we passed a motion to accept the invitation from CD 1 to participate in a cleanup, which we specified would be of the Occidental medians on December 7, to invite CD 13 to host the cleanup on the CD 13 portion of the medians from Beverly to 3rd, and to coordinate that cleanup with the proposal for the CD 1 climate fellows to plant native vegetation in the medians. Diana confirmed the following schedule: Dec. 7th, 9 a.m. – 11 a.m. cleanup. CD 1 will provide all the tools, trucks picking up bulky items as well as trash bags, gardening tools necessary to take care of those Occidental medians and pick up any overgrown vegetation, and coffee and donuts. She is coordinating with CD 13as well. She will bring donuts and coffee. She is also working on a flyer and will flyer the community with us. CD 1 is also looking at options for planting native plants in the Occidental Parkways and maintaining them since the climate fellows are no longer available.
12. Discussion and possible action to address the assault on November 8 of a student and a community member at Bimini Place and Whitehouse Place on November 8. At our November 19 General Board meeting, Kylie Jansen of CD 13 said she would send an email to Mike, Laila, and herself asking them to help facilitate a conversation with LAUSD and/or the LAUSD Board of Education. They would have some more ideas about what would be possible in terms of their office helping us secure that space and definitely open to ideas for activating. She will bring up to Laila as well getting a crossing guard at that location.
13. Discussion and possible action to address the matter of a pedestrian throughway at 200 N Vermont Avenue. On November 20, Jane Choi, Principal City Planner, Central Project Planning at LA City Planning, told us they are happy to look into this issue for us. It may take a couple of weeks for her to get back to us. In a November 22 call, David Burkhead, Senior Building Inspector at LADBS, explained that: 1) the 200 N Vermont Avenue project has a temporary certificate of occupancy (issued 7/31/24) to move tenants in; 2) because they don't have a certificate of occupancy issued, it's still an open permit which allows him to conduct an inspection and issue a notice of correction to remove the gate or return to Plan Check to address the issue; and 3) the inspection results will show up under the Permit Application Status History on the LADBS.org website.
14. Discussion and possible action regarding the HCID rollout of a database of all low-income housing created in projects using Density Bonus or Transit Oriented Communities (TOC) incentives. At our September 17 General Board meeting, we passed a motion to approve a community impact statement for [Council File 23-0426](#), Affordable Housing / Multilingual Online System / Search and Application. On November 9, Philip attended the PlanCheckNC meeting and connected with Saad Tariq. Mr. Tariq informed Philip that although permit data itself is not available as a standalone layer in their [new Atlas database](#), they will overlay the [Controller's covenant layer](#) with LADBS' address and parcel layers. This approach will allow users to identify parcels associated with the covenant layer, and from there, related permit information can be researched manually based on the identified location. For the slides from LAHD's April 19, 2022, presentation to the committee, please see the following link:
https://drive.google.com/file/d/1hpb4YXRvA0nfw_55Lxg6srQJqNnSDoGq/view?usp=sharing
15. Discussion and possible action to recommend approval of a community impact statement regarding Council File [23-1134](#), Economic Roundtable / Economic Study / Annual Rent Increase / Rent Stabilization Ordinance (RSO) / Sole-Source Contract. According to a September 21 email from Councilmember Hugo, this motion called for an independent study of our rent control policies in LA so we can make changes to help working Angelenos. Recently, the [Economic Roundtable](#) released their independent report, highlighting how, for decades, LA's rent control policies have

avored landlords at the expense of working families. CD 13 says they support a policy proposal [from tenants](#) [Editor's note: if you look at the link, the proposal is from tenant advocates, including Beverly-Vermont Community Land Trust] aimed at creating a more balanced policy for renters while still allowing landlords to turn a profit. Stay tuned: In the coming weeks, the Housing Department will present their report to City Council, where the Housing & Homelessness Committee will recommend exact policies for the full City Council to vote on.

16. Discussion and possible action to recommend approval of a community impact statement regarding the draft ordinance and design guidelines or clarifications to implement Measure HLA. This community impact statement will address three council files related to implementation of Measure HLA: Council File [15-0719-S26](#), Council File [24-0131](#), and Council File [24-0173](#). Council File 15-0719-S26 began as an effort to pre-empt the proposed Healthy Streets LA Ballot Measure and has evolved with the passage of Measure HLA into the proposed mechanism to allow City Departments to implement Measure HLA. Council File 24-0131 requests a list of corridors that would necessitate the removal of parking spaces and vehicle travel lanes to implement Measure HLA. Council File 24-0173 advocates a three-prong implementation approach for Measure HLA: 1) Adopting a City implementation ordinance to clarify decision-making processes, promote thoughtful project planning, and minimize legal exposure related to noncompliance with the Measure's requirements; 2) Aggressively pursuing the development of a 5-year Capital Infrastructure Plan (CIP) to better align resources with projects that would achieve the City's policy goals; and 3) Aligning maintenance programs with policy goals and Measure HLA requirements.
17. Discussion and possible action to approve a community impact statement for Council File [23-1027](#) regarding City Charter Reform, currently in the Ad Hoc Committee on City Governance Reform. Ronee, as our LANCC representative, said he would review what LANCC has done on this and Lorenzo told us he will check with his leadership on whether DONE currently has the capacity to directly provide administrative support to Neighborhood Councils or whether they would want to ask for that authority through the Charter Reform. Another possible item for the community impact statement is who should be responsible for assessing and championing the needs of the Neighborhood Councils for funding and resources sufficient to enable them to accomplish their purpose. According to DONE's [About Neighborhood Councils](#) webpage, Neighborhood Councils gather, vet, debate, and come to a consensus on matters that impact City life and policy, and deliver their official stance on these issues in letters called "Community Impact Statements" (CIS), which are shared with City decision-makers, such as the Mayor, City Council, or City Departments such as City Planning. However, there has been no effort to assess or furnish the necessary resources and funding to accomplish this.
18. Discussion and possible action to recommend approval of a community impact statement regarding Council File [21-1230-S8](#), Citywide Code Amendment (CA) / Environmental Clearance (EIR) / Resident Protections Ordinance (Los Angeles City Planning Commission): Introduced October 17, 2024 and referred to Planning and Land Use Management Committee. Los Angeles City Planning Commission report is relative to the Citywide Code Amendment and Environmental Clearance for the proposed [Resident Protections Ordinance](#).
19. Discussion and possible action to recommend approval of a community impact statement regarding Council File 24-1341, Distinction in Rules / Remodel / Major Renovation / Demolition Project / Los Angeles Municipal Code (Blumenfield – Price): Introduced October 25, 2024 and referred to Planning and Land Use Management Committee. Motion is instructing the Department of Building and Safety, with the assistance of the Planning Department, the Bureau of Engineering, in consultation with the City Attorney, to prepare a report with recommendations that explains the differences between a remodel; major renovation, and a demolition project, and which reviews the existing practices and ordinances of other cities in Los Angeles County; and enforcement/compliance with the existing provisions in Municipal code Section 12.23 (Non-Conforming Building and Uses), which already requires that remodels maintain at least 50 percent of an original structure's footprint to maintain any non-conforming rights, improve notification requirements to neighbors, and review all applicable building loopholes in the City's Municipal Code (Zoning and

Building Codes). This council file is related to Council File [18-0406](#) regarding which the RVNC submitted a community impact statement on August 30, 2024.

C. Set agenda and day and time for next PSHT Committee meeting. Next meeting: 2:30 PM on Wednesday, January 8, 2025.

V. Stakeholder Suggested Future PSHT Agenda Items.

(0 Min.)

VI. Announcements

VII. Adjournment

THE AMERICAN WITH DISABILITIES ACT As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and upon request will provide reasonable accommodation to ensure equal access to its programs, services, and activities. Sign language interpreters, assisted listening devices, or other auxiliary aids and/or services may be provided upon request. To ensure availability of services, please make your request at least 3 business days (72 hours) prior to the meeting by contacting the Department of Neighborhood Empowerment by calling (213) 978-1551 or email: NCsupport@lacity.org

PUBLIC ACCESS OF RECORDS – In compliance with Government Code section 54957.5, non-exempt writings that are distributed to a majority or all of the board in advance of a meeting may be viewed at our website: rvnc.org or at the scheduled meeting. In addition, if you would like a copy of any record related to an item on the agenda, please contact Philip Armstrong at Philip.armstrongrvnc@gmail.com

Comments from the public on Agenda items will be heard only when the respective item is being considered. Comments from the public on other matters not appearing on the Agenda that is within the Committee's subject matter jurisdiction will be heard during the Public Comment period. Public comment is limited to 2 minutes per speaker, unless waived by the presiding officer of the Board. Agenda is posted for public review at: 1) LA Eco-Village, 117 Bimini Pl, 90004; 2) RVNC Bulletin Board, Suite #236, 155 N. Occidental Blvd, 90026; 3) www.rvnc.org; and 4) www.EmpowerLA.org.

THE AMERICAN WITH DISABILITIES ACT - As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and upon request will provide reasonable accommodation to ensure equal access to its programs, services, and activities. Sign language interpreters, assisted listening devices, or other auxiliary aids and/or services may be provided upon request. To ensure availability of services, please make your request at least 3 business days (72 hrs) prior to the meeting by contacting or send an e-mail that states the accommodations that you are requesting to the RVNC President, Philip Armstrong, at 213.275.9322 or email: Philip.armstrongrvnc@gmail.com, or you may contact the Department of Neighborhood Empowerment Support at 213.978.1551 or e-mail NCsupport@lacity.org. **Note: For TTY/TDD services, please refer to state provided services at <https://ddtp.cpuc.ca.gov/default1.aspx?id=1482>**

GENERAL PUBLIC COMMENT ON NON AGENDA ITEMS

Comments from the public on other matters not appearing on the agenda that are within the Board's jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to two minutes per speaker, unless adjusted by the presiding officer of the Board.

PUBLIC POSTING OF AGENDAS – Neighborhood Council agendas are posted for public review as follows:

- 1) LA Eco-Village, 117 Bimini Pl, 90004;
- 2) RVNC Bulletin Board, Suite #236, 155 N. Occidental Blvd, 90026;
- 3) www.rvnc.org; and
- 4) You can also receive our agendas via email by subscribing to L.A. City's Early Notification System at <https://www.lacity.org/subscriptions>

Notice to Paid Representatives -

If you are compensated to monitor, attend, or speak at this meeting, City law may require you to register as a lobbyist and report your activity. See Los Angeles Municipal Code Section 48.01 et seq. More information is available at ethics.lacity.org/lobbying. For assistance, please contact the Ethics Commission at (213) 978-1960 or ethics.commission@lacity.org

RECONSIDERATION AND GRIEVANCE PROCESS - For information on the NC's process for board action reconsideration, stakeholder grievance policy, or any other procedural matters related to this Council, please consult the NC Bylaws. The Bylaws are available at our Board meetings and our website www.rvnc.org
